A Message from Peoples Bank of Deer Lodge President
Amber Brown

May 21, 2020

Coronavirus COVID-19

I want to assure you that we are monitoring the COVID-19 virus and its impact on our daily lives. We at Peoples Bank of Deer Lodge are taking necessary steps to prevent the spread of the disease and keep our customers and employees safe.

Our customers and employees are of our highest concern during this everchanging time. We are disinfecting high touch surfaces regularly and following the Centers for Disease Control and Prevention's guidelines. We have installed sneeze guards inside our lobby for additional safety.

Peoples Bank of Deer Lodge is a federal insured local community bank. Your deposits are safe with us. The FDIC fully insures our community bank deposits by insuring each depositor up to \$250,000.00. Please be aware of the risk of carrying or storing large amounts of cash.

We are aware that there may be some affected by loss of jobs, wages, and business income. Peoples Bank of Deer Lodge and our dedicated employees are here to help. If you are facing financial difficulty at this time, please reach out to us. We are working each day to build a better community together. Please contact us to work on payment deferrals, loan modifications, lines of credit, or debt restructure options. You can do this now; you do not need to wait. We are ready to be by your side through this.

Peoples Bank of Deer Lodge has always put our customers and employee's success in front of our own. We will continue to do this knowing that "Together We Grow."

Sincerely,
Amber Brown
President
